

I Spy at Wasatch Mountain State Park

Join park staff from 9 a.m. to noon to explore the Secrets of the Pond. This is a two-mile round trip hike to a relatively unknown seasonal pond surrounded by vegetation and full of wildlife watching opportunities including frogs, birds, bugs, and deer. The terrain is somewhat steep in some areas; however, we will be taking our time, stopping often to talk about what we see. We will begin and end at the visitor center. Children should be old enough to walk the distance with minimal assistance from parents.

Participants should bring sturdy shoes, hats, water, snacks, and wear sunscreen.

Directions: Wasatch Mountain State Park is located in the northeast corner of Midway.

Event is FREE and limited to 10 families. Pre-registration is required. To register, visit stateparks.utah.gov or call 1-800-322-3770 (outside the Salt Lake calling area) or 322-3770 (inside the Salt Lake calling area).
